

SUPPORT THE FREEDOM MEMORIAL

- Never Forget - The Memorial That Remains For Generations

The Collier County Freedom Memorial is a grassroots effort to pay tribute to the men and women who sacrificed their lives in service to our country and the victims of September 11, 2001. What better way to show our love, respect and appreciation for our nation's heroes than with a permanent tribute to their sacrifices?

A Vital Focus for All of Collier County

Each Collier County citizen has the opportunity to participate in this effort. Encourage your friends and family to unite in support of the Freedom Memorial, designed by Gerald Ladue of Naples. Thanks to the generous contributions that have been made thus far, the main structure at the memorial located at Freedom Park at the corner of Goodlette-Frank Road and Golden Gate Parkway is complete. Additional contributions are being accepted for state stones. *Additional donations are needed to maintain the memorial.* Please consider making a donation in support of the Collier County Freedom Memorial-a project that reflects and symbolizes the values of our community.
